Travels on Minerva I & Minerva II with Swan Hellenic

## Egypt & Jordan

### Cairo

There's not a lot to say about Cairo except amazing, dusty & busy. The sphinx / pyramids leave you speechless & the Cairo Museum is something else. Going inside the pyramid will leave you with leg ache for 2 weeks & try to ride the camel called 'Mickey'!

### Luxor

Very magical place. You have to see everything; Luxor Temple, Karnak Temple, Valley of the Kings, Valley of the Queens, Valley of the workers.... do it all. Listen out for the locals saying, "come & have a shuffy in my shop".

Suez Canal

St Catherines Monastery - Egypt

This is where the burning bush (Bible) still grows!!! And they have a lovely collection of monks skulls, as featured on the Antiques Roadshow. Derek Acorah would have a field day here!

## Petra – Jordan

Stunning! Featured in the Indiana Jones films (can't remember which one).  
Make sure you go all the way down the valley & climb the mountain at the  
bottom to The Hermitage.

Can't remember this guys name but put him behind a wheel & he turns into Michael Schumacher. We went on a 4x4 trip to Wadi Rum on the trail of Lawrence of Arabia & this guy thought he was at Silverstone..... absolutely great fun.
